REGISTERING WITH THE CAMS ONLINE PORTAL

Registering with CAMS online allows you to quickly and easily enter races, as all of your details are saved in the portal.

- STEP 1: Visit www.cams.com.au
- STEP 2: Click GO in the REGISTER HERE section

IMPORTANT

If you already hold a CAMS Competitors licence <u>DO NOT</u> click continue, as this will create a duplicate account and cause you to lose all of your racing history.

If you currently hold a CAMS competitor or officials licence, you will already have been issued with a CAMS ID (this would have been emailed to you), and will simply need to retrieve your password (shown below) in order to access your account.

Once you have gained access to your CAMS account, skip to section **ENTERING A RACE** Using the CAMS Portal.
