Being Involved in The Club

Spectator

Come down to the track to watch all the racing action at the monthly race meetings. Tickets are \$15 per adult and children under the age of 13 get in for free with a paying adult. An affordable day out with the family, watching some action-packed motorsport.

Official/Volunteering

All events held at the raceway would not be possible if it were not for an amazing team of dedicated officials. From scrutineering to flag marshalling, all these volunteers dedicate endless hours to the club to make each event be the best that it can be.

Membership

You do not need to own a race car to be a member of the WASCC. There are several memberships catered to suit everyone's needs. Whether you are just wanting to enjoy your car on the track, take part in our members tuning days or pursue your dream of being behind the wheel in a race, there is a membership that will work for you.
